

9th GLOBAL MOON VILLAGE WORKSHOP & SYMPOSIUM

DECEMBER 3 - 4
TURIN, ITALY

Sponsorship & Membership Opportunities

Invitation to attend

Dear Colleagues,

We are pleased to announce that the 9th Global Moon Village Workshop & Symposium will take place in Turin, Italy, on December 3–4, 2025, at the Centro Congressi Lingotto. Organized by the Moon Village Association (MVA) and hosted by AIDAA, the event will run in parallel with the 28th AIDAA Congress and the 10th CEAS Aerospace Europe Conference, creating a unique setting for dialogue and collaboration.

Since 2017, the Workshop & Symposium has become the leading international forum for shaping humanity's future on the Moon. Every year, participants from all over the world gather to address various aspects of humanity's next steps for a sustainable lunar exploration and utilization.

The Moon Village Association promotes an inclusive vision of international cooperation, ensuring the benefits of lunar exploration are shared globally. The Turin edition offers companies, institutions, and universities the chance to showcase innovation, build partnerships, and engage with the next generation of lunar professionals.

We warmly invite you to join us in Turin— as a participant or sponsor—and help shape the future of lunar exploration.

Dr. Giuseppe Reibaldi
President
Moon Village Association

About the Moon Village Association

The Moon Village Association (MVA) is a global, non-governmental organization advancing international cooperation in Moon exploration and utilization. With over 600 participants from 65+ countries, we foster cooperation between government, space agencies, commercial space entities & academia to advance humanity's sustainable lunar activity.

Founded in Vienna in 2017, we are a permanent observer at the United Nations Committee on the Peaceful Uses of Outer Space (COPUOS) & proudly coordinate the UN-recognized International Moon Day. We invite you to consider the opportunities for membership & sponsorship.

***Humanity deserves to stay on the Moon,
together in peace***

About the Global Moon Village Workshop & Symposium

*7th Global Moon Village Workshop & Symposium, 2023
Kurashiki & Tottori, Japan*

The Global Moon Village Workshop & Symposium is the Moon Village Association's annual flagship event, bringing together international stakeholders to discuss humanity's future on the Moon. Since its first edition in 2017, it has become the leading global platform where space agencies, industry, academia, governments, NGOs, and the public exchange ideas and build partnerships.

The Workshop takes a multidisciplinary and inclusive approach, covering not only technical and policy topics but also economic, societal, and cultural dimensions. Its goal is to foster dialogue, promote cooperation across nations and sectors, and ensure that the benefits of lunar exploration are accessible to all.
